EDUCATION

Sardar Patel Educational Institute   Bhavnagar, India
Science A-Group   *Jan 2021 – Jun 2023*

Government Engineering College   Surat, India
Bachelor in Computer Engineering - 8.86 (2024)   *Apr 2023 – Jun 2027*

SKILLS

Technical

- **Languages** - Java, C, HTML, CSS, SQL,JavaScript
- **Frameworks & Libraries** - Spring Boot, Hibernate, Spring Data JPA,OAuth, Bootstrap,docker
- **Databases** - MySQL, PostgreSQL ,MongoDB
- **Concepts** - DSA, OOP, DBMS, Problem Solving
- **API Development** - REST API, JSON, Postman
- **Tools** - Git, GitHub, VS Code, IntelliJ IDEA
- **Soft Skills** - Teamwork, Time Management, Communication

PROJECTS

Sale Campaign System   Java, Spring Boot, MySQL

- Built a scalable Sale Campaign Management System using Spring Boot for real-time price adjustments.
- Developed RESTful APIs to enable dynamic campaign control and accurate sales monitoring.
- Optimized DB queries and implemented security using OAuth for high scalability and transaction throughput.
- Integrated historical analytics to support data-driven marketing decisions.

Inventory Management System   Java, Spring Boot, MySQL

- Created backend APIs to automate billing and notify customers via SMS, WhatsApp, and Email.
- Ensured robust error handling and database efficiency for smooth operations.
- Automated daily inventory reporting to admin via Email for better tracking.
- Improved customer engagement with timely communication channels.

EXPERIENCE

Add Zero Group
Student Backend Intern (Offline)   *11 Months*

- Completed intensive backend Bootcamp focusing on software engineering principles.
- Practiced DSA for 4.5 months, solving 400+ problems.
- Built 50+ RESTful APIs using Spring Boot.

Edunet Foundation
Offline Certification

- Completed foundational Data Science course covering Python, Statistics, and ML basics.

CERTIFICATIONS

- Java Certification
- Software Engineer Intern
- Python for Data Science – XIE
- SQL
